BCI BACKGROUND CHECK INFORMATION

(A BCI record check is required to be filed with the Application For Appointment Of Guardian Of Alleged Incompetent. An applicant for appointment as a guardian may obtain a BCI record check from an agency of their choice. You must present a valid Ohio driver's license or ID at the time you are fingerprinted. This option is for individuals who have resided in Ohio for the past 5 years or longer. Other procedures may need to be taken for those applicants who have not lived in Ohio the past 5 years. Please request that the results be mailed directly to the guardian applicant. Below are a few suggested local agencies that provide the BCI record check.)
