It is hereby ordered, adjudged and decreed that, effective January 20, 2021, in accordance with Rule 5 of the Rules of Superintendence for the Juvenile Division of the Court of Common Pleas, the following shall constitute the local rules of the Juvenile Division of the Huron County Common Pleas Court of Huron County, Ohio.

Rule 1
Hours of the Court

The Juvenile Court and its offices shall be open for the transaction of business from 8:00 a.m. to 4:30 p.m. Monday through Friday of each week. The Court shall be closed on Saturday, Sunday and legal holidays.

Rule 2
Court Administrator

The Judge shall appoint an Administrator who will function as the chief non-judicial officer of the Court. In addition to providing general supervision of the Court's assignments, probation, jury, budgetary and personnel systems, the Court Administrator will implement the administrative policy decisions of the Court and perform such other duties as may be assigned by the Court. With the exception of the Magistrate, all other Court personnel shall be under the general supervision of the Court Administrator.

Rule 3
Conduct in Court

Any conduct that interferes or tends to interfere with the proper administration of the Court is prohibited. Spectators shall be allowed in the Courtroom for confidential juvenile and probate cases only with the consent of the Court. No pagers or mobile phones shall be allowed in the Courtroom unless audible signal is turned off. All mobile phones that are equipped with camera phones/recorders must be turned off. In addition any recording devices are prohibited in the courtroom.

Rule 4
Court Records

The Judge, as ex-officio Clerk of the Juvenile Court, is responsible for all pleadings and papers filed. No records shall be taken from the Court without the Court's permission. Copies of all pleadings and journal entries of record shall be available for counsel representing any party to a case.

Rule 5
Recording of Proceedings

All testimony or other oral proceedings shall be recorded by electronic means. Any

party may provide a Court reporter at his/her own expense to make a written record from the electronic recording of any proceeding before the Court.

Rule 6
Court Appointed Counsel

(A) The Court shall maintain a list of appointees qualified to serve in the capacity designated by the Court. Any attorney licensed to practice in the State of Ohio may submit a request for inclusion on the appointment list by using the Court's Court-Appointed Counsel List Request form. Each attorney requesting to be included on the list shall certify on the form provided that they are qualified for the nature and type of case assigned, pursuant to OAC §120-1-10. The Court will ensure an equitable distribution of appointments, while considering the skill and expertise of the appointee in the designated area of the appointment, and the management of the appointee's caseload. The Court will conduct a review of its appointments at least annually to ensure the equitable distribution of appointments.

In making appointments, the Court will take into account all of the following:

- (1) The anticipated complexity of the case in which appointment will be made;
- (2) Any educational, mental health, language or other challenges facing the party for whom the appointment is made;
- (3) The relevant experience of those persons available to accept the appointment, including proficiency in a foreign language, familiarity with mental health issues, and scientific or other evidence issues;
- (4) The avoidance of conflicts of interest or other situations that may potentially delay timely completion of the case;
- (5) Intangible factors, including the Court's view of a potential appointee's commitment to providing timely, cost-effective, quality representation to each prospective client.

See: Rule 8(D) of the Ohio Rules of Superintendence.

(B) Fees and expenses for representation shall be submitted to the Court on the forms established by the Office of the Ohio Public Defender within 30 days of final disposition. Applications for fees which are greater than the maximum allowed by the Huron County Fee Schedule for Appointed Counsel must be accompanied by a Motion for Extraordinary Fees and a proposed Judgment Entry.

(C) Assigned counsel may not submit a request for reimbursement for costs of transcripts and experts on the same form as the request for attorney fees and other expenses. Requests for reimbursement for the costs of transcripts and experts must be submitted through a separate motion. *See: OAC 120-1-17.*

Rule 7
Counsel of Record

Each attorney representing a party in this Court and who is not Court-appointed shall see that he or she is properly listed as counsel of record for said party in accordance with JuvR 4(D) by filing a written notice with the Court or by appearing personally at a Court hearing and informing the Court of said representation. The Court will not consider such representation to continue for the purpose of any case other than the particular case in which appearance is entered, unless otherwise notified in writing.

Subsequent to entering an appearance, the attorney or his or her firm will be considered counsel of record until such time as Journal Entry of withdrawal is approved by the Court and filed in the case.

Rule 8
Communications with Judge and Magistrate

- A. Ex parte Communications. No attorney or party shall discuss the merits either orally or in writing, of any litigation with the Judge or Magistrate presiding over the matter before final disposition thereof without the presence of or by mailing or delivering a copy of any writing to opposing counsel or the party, if not represented.
- B. Attorney Conferences. If it is determined that an issue in a pending action needs to be discussed with the Judge or Magistrate prior to hearing or disposition of the action, the attorney desiring said conference may, with notice to opposing counsel, request a conference with the Judge or Magistrate.

Rule 9
Pleadings

- A. All filings shall be on eight and one-half by eleven inch paper, on paper that can be scanned and microfilmed.
- B. All filings shall contain the name, address, telephone number, and attorney registration number of the individual counsel and, in the absence of counsel, the name, address, and telephone number of the person filing. Any filing not containing the above requirements may be refused.
- C. Filings containing partially or wholly illegible signatures of counsel, parties or officers administering oaths may be refused, or, if filed, may be stricken, unless the typewritten or printed name of the person whose signature is purported to appear is clearly indicated on the filing.

- D. All pleadings, motions, or other filings are to be typed or printed in ink and correctly captioned.
- E. When a pleading, motion, judgment entry or other filing consists of more than one page, each page shall contain the case number in the upper portion of the page.
- F. When a pleading, motion, judgment entry or other filing consists of more than one page, each page shall be printed on a separate piece of paper (single sided).

Pleadings filed in the Juvenile Division of this Court will include the filing of the original, a copy for each additional case number listed on the pleading, and an extra copy for the Court of the pleading being filed.

A personal identifier sheet must be included when filing a new civil case (custody, support, and visitation) and with all motions when you are re-opening a closed civil case.

The Court will not accept for filing any pleading that is incomplete in form or does not contain the correct number of copies. With the exception of motions or complaints alleging violation of probation, neither the Probation Department nor the Court shall prepare complaints for filing.

Counsel shall file with the Clerk of this Court written notice of any change of address.

Rule 10 **Depositions**

Any deposition filed with the Clerk of this Court shall not be withdrawn except by leave of the Court.

The use of videotaped depositions and testimony is permissible, provided that the following guidelines are met:

- A.** When testimony is recorded on videotape pursuant to Civil Rule 40, C.P. Sup R. 11 and 13, it will be the responsibility of counsel to instruct the person before whom the testimony is taken in accordance with Civil Rule 28(A), to note by the use of a digital counter or other clock device connected with the tape the point on the videotape where objections consecutively are made. The notary will then number the objections consecutively and attach this record to the certification when filed with the Clerk.
- B.** Objections must be made at the conclusion of the questions and answers only. Counsel shall state the basis for the objection, and may read citations into the record at this time; however, additional citations may be provided to the Court at a later time. Any objections made prior to the completion of an answer may, in the Court's discretion, be disregarded and overruled.
- C.** When cases are assigned for trial pursuant to Civil Rule 40 and C.P. Sup. R. 13(B), a date will be assigned for the filing of plaintiff's testimony and

defendant’s testimony for editing. A copy of the transcript of the testimony or such portion thereof as is necessary to rule on any objections shall accompany a videotape deposition. The transcript shall be certified by the transcriber to be a true and accurate transcription.

- D. In all cases where testimony is recorded on videotape, the costs shall be assessed pursuant to C.P. Sup. R. 13(D).
- E. If videotape depositions are to be used in the trial of a case, the tape(s) must be filed with the Clerk of Courts, for editing by the Court, no later than seven (7) days prior to trial. Any videotapes submitted after this date will not be presented to the jury, unless for good cause shown, the Court grants leave to file said depositions out of rule. All videotape depositions must comply with the requirements of C.P. Sup. R. 13 (A). Except for good cause shown, there will be no trial continuances for inability of a medical expert to be present to testify.
- F. Videotape Trials: The Court may, in any appropriate case, order the recording of all testimony and evidence on videotape in accordance with C.P. Sup. R. 13 (B).
- G. Pursuant to Civil Rule 54 (D) and in compliance with C.P. Sup. R. 13(D), deposition costs, including costs of video depositions, shall be taxed as costs and shall be recoverable by the prevailing party. This shall apply only to depositions used in lieu of testimony at trial.

Rule 11 **Certificate of Service**

Proof of service of all pleadings, motion, briefs, memorandum or other writing filed with Court shall be by certificate of service attached to such pleading, motion, brief, memorandum or other writing and shall include the names and addresses of the attorneys and/or parties served, not simply “all parties or counsel of record”.

Rule 12 **Filing the Praecept for Subpoena**

The Court strongly recommends that all praecipis for subpoenas be filed ten (10) days prior to the date the witness is to appear in Court. The Court reserves the right not to grant continuances due to the lack of service, unless the praecipis was timely filed.

Rule 13
Motions

All motions, unless made during a hearing or trial, shall be made in writing in accordance with Juv R 19 and Juv R 22 unless otherwise permitted by the Court. All motions shall state with particularity the grounds and shall clearly state the relief or order sought.

Motions filed in the Juvenile Division of this Court will include filing the original and a copy of the motion being filed.

Opposing counsel shall answer said motion within ten days after service thereof unless the Court establishes a different due date.

- B. The motion is typed or prepared in an early legible manner;
- C. The original motion and one copy is provided to the Court;
- D. The motion states clearly the relief sought and with particularity the grounds for the relief;

Rule 15
Pretrial Conferences

The Court will schedule a pretrial for all civil cases unless specifically waived by the Court. Such pre-trial conferences shall be held with the intention of accomplishing the objectives set forth in Rule 16 of the Ohio Rules of Civil Procedure. Pretrials shall be held at such times, as the Court shall direct. The Deputy Clerk of this Court shall give notice of a pre-trial hearing by delivering or mailing a copy of such notice to all known interested counsel, and to all parties. Such pre-trial conference shall be attended by counsel for the parties, who shall have their clients present, and by all unrepresented parties. Counsel attending the pre-trial conference shall have complete authority to stipulate matters of evidence, to make admissions and to discuss settlement. Parties or attorneys may be excused from pretrials only with permission from the Court prior to the pretrial conference.

Rule 16
Assignment of Civil Cases for Trial

All assignments of cases for trial shall be made by the Deputy Clerk of this Court with the approval of the Court at least two weeks prior to the date set for trial, unless otherwise ordered by the Court. Provided, however, that no case shall be assigned for trial less than one week in advance without the consent of all counsel. Notice of the assignment of a case set for trial shall be mailed or delivered forthwith to all interested counsel.

All cases having priority under any statute, and any injunction, mandamus, uncontested divorce, annulment, legal separation, Habeas corpus and such other cases as the Court may direct may be heard at any time as may be ordered by the Court, after proper notice, without having been assigned by the Deputy Clerk of this Court for trial.

Rule 17
Conduct of Counsel at Trial

Except by permission of the Court, only one counsel for each party will be permitted to speak on any interlocutory motion, or upon any question arising during the trial of a cause or a proceeding, and only one counsel for each party will be permitted to examine the same witness in any trial or proceeding before the Court.

In any argument to the Court or jury upon the trial of a cause, only two counsel for each party will be heard unless for special reasons the Court permits otherwise. The Court may limit the time for argument, as it may deem reasonable.

Only counsel and parties shall be seated at counsel table except as may be otherwise authorized by the Court.

Rule 18
Adult Criminal Cases

The purpose of these rules of criminal practice is to provide the fairest and most expeditious administration of criminal justice possible within the requirements of the Ohio Rules of Criminal Procedure, the provisions of the Ohio Revised Code, the Ohio Constitution and the United States Constitution. These rules shall be construed and applied to eliminate delay, unnecessary expense, and all other impediments to a just determination of criminal cases. Further, the disclosure and discovery requirements placed upon both the prosecution and the defense are to fully implement Rule 16 of the Ohio Rules of Criminal Procedure and the requirements of *Brady v. Maryland*, 373 U.S. 83 (1963). The rules of practice of this Court for civil cases apply to all criminal proceedings, except where clearly inapplicable.

Rule 46 of the Ohio Rules of Criminal Procedure will govern in all cases.

When the amount of bail has been fixed in a criminal case before it reached this Court and either the State or the defendant desire to modify the amount or conditions thereof, such party shall make application to the Court. Notice thereof shall be given to the adverse party and after submission to the Court, the action approved by the Court shall be by entry made a part of the papers of the case.

Rule 19
Application for Nolle Prosequi in Adult Criminal Cases

Where under the provision of Revised Code Section 3941.33 the prosecuting attorney desires to enter a Nolle Prosequi in any criminal case, he shall file written application thereof.

Rule 20
Arraignments in Adult Criminal Cases

- A. Arraignments will be scheduled as ordered by the Court.
- B. If the defendant is not represented by counsel, the defendant will be advised of his right to counsel and upon request for appointment of counsel a determination will be made as to the defendant's financial eligibility for appointment of counsel. Any waiver of counsel must be in writing.
- C. If at the arraignment a guilty plea or a no-contest plea is entered by defendant the Court may immediately make disposition or a disposition date shall be set before the Judge.
- D. If at arraignment a not guilty plea is entered by the defendant the Court will set a date and time for the trial.

Rule 21
Conduct of Attorneys in Adult Criminal Cases

It is the duty of the lawyer not to release or authorize the release of information or opinion for dissemination by any means of public communication in connection with pending or imminent criminal litigation with which he is associated if there is a reasonable likelihood that such dissemination will interfere with a fair trial or otherwise prejudice the due administration of justice.

From the time of the arrest, issuance of an arrest warrant or the filing of an affidavit, information or indictment in any criminal matter until the commencement of trial or disposition without trial, a lawyer associated with the prosecution or defense shall not release or authorize the release of any extra judicial statement for dissemination by any means of public communication relating to the matter and concerning:

- A. The prior criminal record (including arrest, indictments, or other charges of crime) or the character or reputation of the accused, except that the lawyer may make an actual statement of the accused's name, age, residence, occupation, and family status and if the accused has not been apprehended, a lawyer associated with the prosecution may release any information necessary to aid in his apprehension or to warn the public of any dangers he may present.
- B. The existence or contents of any confession, admission or statement given by the accused or the refusal or failure of the accused to make any statement.
- C. The performance of any examinations or test on the accused or the refusal or failure to submit to an examination or test.

- E. The possibility of a plea of guilty to the offense charged or a lesser offense.
- F. Any opinion as to the accused's guilt or innocence, as to the merits of the case, or the evidence in the case.

The foregoing shall not be construed to preclude the lawyer during this period in the proper discharge of his official or professional obligations from announcing:

- A. The name, age, residence, occupation, and family status of the accused.
- B. If the accused has not been apprehended, any information necessary to aid in his apprehension or to warn the public of any dangers he may present.
- C. A request for assistance in obtaining evidence.
- D. The identity of the victim of the crime.
- E. The fact, time, and place of arrest, resistance, pursuit, and use of weapons.
- F. The identity of the investigating and arresting officers, and the length of the investigation.

- G. At the time of the seizure, a description of the physical evidence seized, other than a confession, admission or statement.

During the trial of any criminal matter including the period of selection of the jury, no lawyer associated with the prosecution or defense shall give or authorize any extra judicial statement or interview relating to the trial or the parties or issues in the trial for dissemination by any means of public communication except that the lawyer may quote from or refer without comment to public records of the Court in the case.

After the completion of a trial or disposition without trial of any criminal matter and prior to the imposition of sentence, a lawyer associated with the prosecution or defense shall refrain from making or authorizing any extra judicial statement for dissemination by any means of public communication if there is a reasonable likelihood that such dissemination will effect the imposition of sentence.

Rule 22 **Bail Forfeiture in Adult Criminal Cases**

Bail forfeiture proceedings shall be in accordance with Ohio Revised Code §2937.36.

Rule 23 **Daily Copies of Transcripts in Adult Criminal Cases**

Daily copies of transcripts to counsel in criminal cases will not be ordered, provided for, or permitted except in such cases where, in the sound discretion of the Trial Judge, the interest of justice would require the same.

Rule 24 **Disclosure of Presentence Report in Adult Criminal Cases**

At the time a Judge orders a presentence investigation, a date for sentencing shall be established.

The Probation Officer who prepares the report shall have it completed no later than two Court days prior to sentencing. When the report is complete, it shall be sent to the Judge and made available at the Court for review by the defendant's attorney (or by the defendant if he is not represented by an attorney) and the Prosecutor. The copy of the report made available to attorneys or the defendant for review, may be reviewed in the Court's offices on the two days before sentencing and in the Courtroom on the day of sentencing. No report shall be taken from the Court without the written approval of the

Judge assigned to the case.

In order to protect information that is not available pursuant to R.C. §2951.03(B)(3), the copy of the report made available for review by the attorneys or the defendant shall contain a summary of the report and the sections of the report deemed by the Court to be protected by R.C. 2951.03 (B)(3) shall be redacted.

On or before noon of the day before the day of the sentencing hearing, the Defendant's attorney or the Defendant, if not represented by counsel, and the prosecutor may file with the Court a sentencing memorandum in which should be noted any inaccuracies in the presentence report or summary and any additional information which it is desired that the Court review before imposing sentence. The memorandum shall be filed with the Court in duplicate and a copy shall be served upon the opposing party in a manner calculated to give actual notice of its contents on or before noon of the day before the day of the sentencing hearing. A certification of such service shall be filed with the Court. The prosecutor shall be permitted to address the Court at the sentencing hearing, provided he has timely filed a sentencing memorandum.

Rule 26

- A. The Clerk of this Court shall maintain a separate index and docket for each warrant.
- B. Where the Judge files with the Clerk, pursuant to Rule 41 (E) of the Ohio Rules of Criminal Procedure, the search warrant, copy of the return, inventory or any other papers in connection therewith, the Clerk shall secure said documents in a separate jacket, consecutively numbered and indexed by name.
- C. If property is seized it shall be held by the officers or arresting authority WHO SEIZED THE PROPERTY for safekeeping unless the Court directs otherwise.

Rule 28
Default Judgment

Default Judgments shall be granted in accordance with Civil Rule 55. Motions shall be accompanied by a proposed Judgment Entry.

When a principal party against whom a judgment for affirmative relief is sought has failed to plead or otherwise defend as provided by these rules, the party entitled to a judgment by default shall apply in writing or orally to the Court therefore; but no judgment by default shall be entered against a minor or an incompetent person unless represented in action by a guardian or other representative who has appeared therein. If the party against whom judgment by default is sought has appeared in the action, he shall be served with written notice of the application for judgment at least seven (7) days prior to the hearing on such application, the date and time to be fixed by the Deputy Clerk of this Court with the concurrence of the Judge assigned. If, in order to enable the Court to enter judgment or to carry it into effect, it is necessary to take an account or to determine the amount of damages or to establish the truth of any averment by evidence or to make an investigation of any other matter, the Court may conduct such hearings or order such references as it deems necessary and proper and shall when applicable accord a right of trial by jury to the parties.

Rule 29
Jury Service

The Court adopts the Jury Management Plan filed July 13, 1998.

Rule 30
Court Security

The Huron County Common Pleas Court is charged with dispensing justice, resolving disputes, and protecting the constitutional rights of those who appear before the Court.

Accordingly, appropriate levels of security should exist in the Court to protect the integrity of the Court procedures, protect the rights of individuals before it, sustain the decorum and dignity of the Court, and assure that Court facilities are secure for all those who visit and work there.

Therefore, pursuant to Rule 9 of the Rules of Superintendence for Common Pleas Courts the Court establishes as follows:

This Court, in conjunction with the Common Pleas Court General Division and the Norwalk Municipal Court, has appointed a Local Advisory Committee consisting of representatives of each of the following groups: Judges, law enforcement officials responsible for Court security, County Commissioners, City of Norwalk Safety Service Director, county office holders with offices located in the Courthouse, Huron County Bar Association and members of the public.

The Court shall implement a local Security Plan and Procedure Plan which plan shall address the Ohio Court Security Standards adopted by the Supreme Court of Ohio on October 17, 1994.

The Local Court Security Advisory Committee shall adopt a Security Operations Manual, which manual shall establish written directives for the purpose of ensuring security within the Court while maintaining accessibility to the community.

Rule 31 **Mediation**

29.01 General provisions

Appropriate cases may, upon completion of necessary pleadings or motions, be referred by the Judge or a magistrate to a mediator for a mediation conference. Cases in which custody or visitation is disputed will be referred to mediation at the pretrial conference. Cases involving other disputed issues may also be referred to mediation. Prior to a case being referred to mediation, the judge or magistrate shall fully advise all parties of their right to legal representation. The following actions, however, shall be exempted from mediation:

- A. Cases in which one party has been convicted of, or pled guilty to, a violation of R.C. 2915.25 (domestic violence) within the past two years or when a civil temporary protection order involving the parties is in effect;
- B. Cases in which there are current allegations of domestic violence between the parties;
- C. Cases in which the geographic distance between the parties makes it not feasible for them to participate in mediation sessions;

- D. Cases in which one of the parties is mentally ill;
- E. In emergency circumstances requiring an immediate hearing by a jurist; or,
- F. Cases in which the parties have arrived at a resolution and executed an Agreed Judgment Entry.

The mediation conference shall be set at the earliest practical date, giving consideration to responsive pleadings, appearances by counsel for all the parties, and other facts and circumstances.

A referral to mediation shall be by judgment entry or magistrate's decision which shall set the time and place of the conference. All parties shall attend mediation when referred. Attendance by counsel is optional. Other individuals designated by a party may attend and participate in mediation, provided that such attendance or participation does not jeopardize the mediation process.

At the mediation conference, the mediator shall attempt to resolve the entire case. The mediator may schedule, recess or continue the conference and exercise such other powers as are necessary and proper for the mediation of cases.

Rule 37 **Public Record Policy/Examination of Files,** **Records and Other Documents**

Introduction

It is the policy of the Huron County Common Pleas Court, Probate & Juvenile Divisions, that openness leads to a better informed citizenry, which leads to better government and better public policy. It is the policy of this Court to strictly adhere to Ohio's Public Records Act *and* to those portions of the Ohio Revised Code and Ohio Rules of Juvenile Procedure that require certain records to remain confidential. Any denial of public records in response to a valid request must be accompanied by an explanation. If the request is in writing, the explanation must also be in writing.

Section 1. Public Records

This Court, in accordance with the Ohio Revised Code, defines records as including the following: any document – paper, electronic (including, but not limited to e-mail), or other format – that is created or received by, or comes under the jurisdiction of a public office that documents the organization, functions, policies, decisions, procedures, operations, or other activities of the office. All records of this Court are public unless confidential or otherwise exempt from disclosure under the Ohio Revised Code and the Ohio Rules of Juvenile Procedure.

Section 1.1

It is the policy of this Court that, as required by Ohio law, records will be organized and maintained so that they are readily available for inspection and copying. Record retention schedules are to be updated regularly and posted prominently.

Section 1.2

Certain records kept by this Court are excluded from public inspection by applicable

provisions of the Ohio Revised Code and the Ohio Rules of Juvenile Procedure, and shall not be released to the general public. These records include, but are not limited to, the following:

- A) Adoption records or documents [R.C. 149.43(A)(1)(d)];
- B) Probation documents, including but not limited to probation officers' case notes, community service, any informal or diversion program and Reach Our Youth documents for children on probation [R.C. 149.43(A)(1)(b); 2151.14(B)];
- C) Judge's or Magistrate's trial notes [R.C. 149.43(A)(1)(g)];
- D) Putative father registry information [R.C. 149.43(A)(1)(e)];
- E) Records of Minors seeking approval for an abortion [R.C. 149.43(A)(1)(c)];
- F) DNA records [R.C. 149.43(A)(1)(j)];
- G) Records maintained by the Ohio Department of Youth Services pertaining to children in its custody released to the Department of Rehabilitation and Correction [R.C. 149.43(A)(1)(l)];
- H) Estate tax returns in the possession of the Probate Court, Department of Taxation, County Auditor, County Treasurer and Ohio Attorney General [R.C. 5731.90];
- I) Medical records which include documents pertaining to medical history, diagnosis, prognosis or medical condition of a patient including psychiatric history, diagnosis and prognosis [R.C. 149.43(A)(1)(a); 2151.14(B); Juv. R. 32(C)];
- J) Confidential law enforcement investigatory records [R.C. 149.43(A)(1)(h)];
- K) Sealed or expunged records [R.C. 2151.355 to 2151.358, *et seq.*];
- L) Recording of proceedings [Juv. R. 37(B)];
- M) Fingerprints and photographs, and records of an arrest or custody that was the basis of the taking of fingerprints or photographs [R.C. 2151.313(D)]; and
- N) Records the release of which is prohibited by state or federal law [R.C. 149.43(A)(1)(v)].

Section 2. Record Requests

Each request for public records should be evaluated for a response using the following guidelines:

Section 2.1

Although no specific language is required to make a request, the requester must at least identify the records requested with sufficient clarity to allow the Court to identify, retrieve, and review the records. If it is not clear what records are being sought, the records custodian must contact the requester for clarification, and should assist the requestor in revising the request by informing the requestor of the manner in which the office keeps its records.

Section 2.2

The requestor does not have to put a records request in writing, and does not have to provide his or her identity or the intended use of the requested public record. It is this Court's general policy that this information is not to be requested.

Section 2.3

Public records are to be available for inspection during regular business hours, with the exception of holidays. Public records must be made available for inspection promptly. Copies of public records must be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; the accessibility of the records; and, the necessity for any legal review of the records requested.

Section 2.4

Each request should be evaluated for an estimated length of time required to gather the records. Routine requests for records should be satisfied immediately if feasible to do so. All requests for public records must either be satisfied or be acknowledged in writing by the Court within five business days following the Court's receipt of the request. If a request is deemed significantly beyond "routine," such as seeking a voluminous number of copies or requiring extensive research, the acknowledgement must include the following: a) an estimated number of business days it will take to satisfy the request; b) an estimated cost if copies are requested; and, c) any items within the request that may be exempt from disclosure.

Section 2.5

Any denial of public records requested must include an explanation. If portions of a record are public and portions are exempt, the exempt portions are to be redacted and the remainder released, if permitted by Ohio law. If there are redactions, each redaction must be accompanied by a supporting explanation.

Section 3. Costs for Public Records

Those seeking public records will be charged only the actual cost of making copies. Requesters may ask that documents be mailed to them. They will be charged the actual cost of the postage and mailing supplies.

Section 4. E-mail

Documents in electronic mail format are records as defined in the Ohio Revised Code

when their content relates to the business of the Court and is not confidential or otherwise exempt by applicable Ohio law or the Ohio Rules of Juvenile Procedure. E-mail is to be treated in the same fashion as records in other formats and should follow the same retention schedules.

Section 4.1

Records in private e-mail accounts used to conduct public business are subject to disclosure, and all employees or representatives of the Court are instructed to retain their e-mails that relate to public business and to copy them to their business e-mail accounts and/or to the Court's records custodian.

This policy is adopted by the Huron County Common Pleas Court, Probate & Juvenile Divisions, on the 1st day of October, 2007 in response to recent statutory amendments regarding public records, which became effective on 29 September 2007.

In all abuse, neglect and dependency cases the child or children will be present only upon leave of the Court.

Any person summoned to appear before the Court who fails to do so may be punished as in other cases for contempt of Court.

Rule 41

All applications for continuances shall be made as far in advance of hearing dates as practicable except as herein provided. All requests shall be in writing. Rule 42

Any adult charged with an offense under Sections 2151.01 to 2151.54, inclusive, of the Ohio Revised Code may demand a trial by jury. All jury demands shall be pursuant to Rule 23 of the Ohio Rules of Criminal Procedure.

Rule 43
Authority of Probation Officers

Juvenile Probation Officers of the Huron County Common Pleas Court, Juvenile Division, shall be and hereby are vested with power and authority, prior to a detention hearing, to release a child from detention or shelter care, and to place him in house arrest with his parent, guardian or custodian, or other person able to provide supervisory care and able to return the child to Court when required.

Juvenile Probation Officers of the Huron County Common Pleas Court, Juvenile Division, shall be and hereby are vested with power and authority, prior to a detention hearing, to shift a child from detention to shelter care, and from shelter care to detention.

Juvenile Probation Officers of the Huron County Common Pleas Court, Juvenile Division, shall, upon each exercise of the above granted power and authority, make a written notation of the time and exercise thereof, and shall thereafter append the same with any file, case, or other documents relating to the child, or shall deliver the same to the Judge, as may be appropriate.

Juvenile Probation Officers of the Huron County Common Pleas Court, Juvenile Division, shall not be required to deliver any written notation or notification thereof, prior to a detention hearing, to any other person or authority, to secure a child's release from detention or shelter care, or to shift a child from detention to shelter care, or from shelter care to detention.

Rule 44 **Filing of Complaints**

Juvenile complaints are to be filed through the Huron County Prosecutor's Office with two exceptions:

- A) Law enforcement officers shall continue to file direct with the Clerk of Juvenile Court complaints of Juvenile Traffic offenses under Chapter 45 of the O.R.C.
- B) School attendance officers shall continue to file direct with the Clerk of Juvenile Court complaints of unruliness alleging failure to attend school.

Law enforcement agencies are requested to use the following procedure:

1. Make a written report of any incident involving a child in a possible situation of abuse, neglect, and dependency, and unruliness, delinquency and criminal misconduct (JUV-99 will be used to transmit this report). Each police department and the Sheriff's Department shall coordinate the filing of "child incident reports" through its juvenile officer or other officer with the designated duty of coordinating juvenile matters. The 99 form shall be completed in its entirety and indicate whether the juvenile was arrested or not arrested.
2. File one copy of all reports (using JUV-99 with attachments) with the prosecutor by mail that day or directly within one business day.
3. File another copy of each report (using JUV-99 with attachments) with juvenile court to allow better supervision of children on probation and for the monitoring of case flow.
4. The prosecutor will then prepare and sign the actual complaint on behalf of the law enforcement agency and file the complaint with the court with all due speed. Time is of the essence in all juvenile cases.

Rule 45

Detention Procedures for Juveniles

There are four standards under Juvenile Rule 7 for placing a child in detention or shelter care. They are that:

- ❖ Detention or sheltercare is required to protect the child from immediate or threatened physical or emotion harm; or
- ❖ to protect the person or property of others.
- ❖ The child may abscond or be removed from the jurisdiction of the court;
- ❖ The child has no parents, guardian or custodian or other person able to provide supervision and care for the child and return the child to the court when required;
- ❖ An order for placement of the child in detention or sheltercare has been made by the court pursuant to Chapter 2151.31 of the Ohio Revised Code.

If an officer has determined that any of the above is true, then, and only then, he shall contact a probation officer of juvenile court for the authority to place the child in a juvenile detention facility. The requesting agency can contact the juvenile probation officers at, 663-6829, during regular court hours. At other times the officer shall contact the probation officer on call by using the paging system operated by the Sheriff's Department. If the officer does not receive a response from a juvenile probation officer within a reasonable amount of time (approximately fifteen minutes), the officer should re-contact the Sheriff's Department and ask that a probation officer be called at home to respond to the situation at hand.

Please keep in mind that paging a probation officer is not immediately necessary if there is no intention of detaining the child. However, if there is doubt about whether or not to detain, paging the probation staff would be appropriate. Once a child has been placed in detention, the law enforcement agency who detained the child shall also:

1. Notify the parents, guardian or custodian which facility the child will be held in, and the visitation hours of that facility. Those agencies which this county has contractual agreements for the detention of juveniles include:

Sandusky County:

Address: 2351 Countryside Drive, Fremont, OH 43420

Phone: (419) 334-6498 or (419) 334-6497

Erie County:

Address: 1338 Tiffin Ave., Sandusky, OH 44870

Phone: (419) 627-7611

Visitation is limited to parent, guardian, custodian, and attorney only. No others will be granted visitation without approval of the probation officer.

2. Notify the parent, guardian, or custodian of the date and time of the detention hearing in Juvenile Court.
3. Transport the child to the detention facility and from the facility to the Court for the detention hearing.
4. Provide the probation officer and the Prosecutor's Office with a written report (JUV-99 with attachments) complete of the incident resulting in the detention. This must be submitted as soon as possible prior to the detention hearing. The JUV 99 report shall be completed in its entirety and should indicate that the juvenile was arrested.

Rule 46 **Detention Hearings**

Detention hearings in the Huron County Juvenile Court are routinely held every Monday thru Friday, except holidays, at 11:30 o'clock a.m. Juvenile Rule 7 mandates that a detention hearing shall be held promptly, no later than seventy-two hours after the child is placed in detention or shelter care, or the next court day, whichever is earlier. The officer detaining the juvenile or a member of his department shall assist the prosecutor in completing a written and signed complaint prior the hearing. This child is the responsibility of the detaining officer, or his/her department, including from the place of apprehension and to the detention hearing. However these should be noted:

1. The Huron County Sheriff's Office shall be primarily responsible for all transportation subsequent to the first detention hearing.
2. If a child is detained pursuant to a court warrant to take into custody the child shall be placed in the custody of the Sheriff's Department for the determination of detention in accord with these rules. The Sheriff's Department shall notify the court's probation officers of said apprehension, unless the warrant contains special instructions.
3. The various police departments and the Sheriffs Department shall cooperate in every way possible with each other and the Juvenile Court in order to fulfill and implement the intent of R.C. 2151.40.

Effective July 1, 1989 All Juvenile Contacts shall be recorded by utilizing the form entitled "Law Enforcement Form For Reporting All Juvenile Contacts", JUV-99. Contacts include all significant encounters with juveniles, not just arrests. Traffic offenses, which do not involve drugs or alcohol, are the sole exception to this new reporting method. All traffic tickets shall still be filed with the clerk of courts; however those traffic offenses having drug or alcohol present must have a JUV-99 form attached to the citation. The JUV-99 form shall be completed in its entirety and should indicate whether the juvenile was arrested or not arrested.

The new form (JUV-99) is designed to eliminate many of the report forms already in

existence throughout the various county agencies. In dissemination of data on not just an interdepartmental level but on the much needed countywide level also. Individual copies of this four-part form (JUV-99) shall be issued as follows:

1. One copy shall be retained by the contacting agency, as a standard procedure.
2. One copy (with attachments) shall be forwarded to juvenile court so that the information can be compiled for use by the probation staff.
3. One copy (with attachments) shall be sent to the prosecutor's office if a complaint may be filed. It is important to indicate that the filing of a complaint is requested by so stating in the "action taken section", and to place the possible code violated in the "code violation section". Any additional police reports should also be attached to JUV-99.
4. One copy (no attachments) shall be issued to any parent or guardian to whom a juvenile has been released as per required by juvenile release procedures. It is important to note when dealing with "parents" whether or not they are the legal or biological parents. This is information the court and prosecutor will need to know for future proceedings with the child.

Rule 47 **Discovery**

Discovery shall be provided as set forth in Juvenile Rule 24, except as provided herein. Any party may apply in writing to the Court for a protective order to excuse or limit discovery for the reasons set forth in Juvenile Rule 24 or for other good cause.

The Prosecutor's Office or arresting agency shall provide a copy of the police report to the Juvenile Probation Department with each delinquency and unruly complaint, which that office prepares for filing with this Court.

Rule 48 **Exhibits**

Exhibits shall be marked and copies provided to opposing counsel prior to hearing.

Rule 49 **Magistrates**

Pursuant to Rule 40 of the Ohio Rules of Juvenile Procedure, Rule 53 of the Ohio Rules of Civil Procedure, Rule 19 of the Ohio Rules of Criminal Procedure and the Ohio Revised Code, Magistrates are empowered and authorized to hear and decide all cases

assigned.

All decisions of the Magistrate shall be in writing. Magistrate's Orders shall take effect immediately unless stayed by Court order. Decisions of the Magistrate shall have full force and effect upon being adopted by the Court unless stayed by Court order. Decisions of the Magistrate shall have full force and effect upon being adopted by the Court unless timely written objections are filed.

Rule 50
Objections, Appeals, Magistrate Decisions/Orders

Any party to the action may file written objections to a Magistrate's Decision. The filing deadline is 14 days. A party shall have 10 days to appeal from a Magistrate's Order pursuant to Juv R 40(C)(3). A supporting memorandum shall accompany an objection or appeal. A memorandum in response may be filed by any party within seven (7) days of the filing of the objection or appeal and accompanying memorandum.

Upon timely filing of an objection or appeal, the Judge may affirm, reject or modify the Magistrate's Order or Decision upon review, or may hear additional evidence at his discretion. Objections or appeals may be set for oral hearing at the request of any party and the discretion of the Court.

Rule 51
Photographing and Broadcasting of Court Proceedings

The taking of photographs in the Courtroom, corridors and other areas adjacent to the Courtroom and the transmitting or sound recording of such proceedings for broadcasting by radio or television shall not be permitted unless authorized by the Court. Requests for permission to broadcast, televise, record or photograph in the Courtroom shall be made in writing to the Judge as far in advance as reasonably practicable but in any event not less than 24 hours prior to the Courtroom session to be broadcast, recorded or photographed.

Rule 52
Media Attendance in the Courtroom

- A. Pursuant to Juvenile Rule 27, the Court may conduct its hearing so that any member of the general public may be excluded and only those persons who have a direct interest in the case admitted to the courtroom. All cases involving children shall be heard separate from adults. The Court may excuse children from dependency, neglect or abuse cases.
- B. All Juvenile Court proceedings and records are confidential and within the control of the Judge. Recordings or transcripts may only be used in the

course of an appeal or as authorized by Court order.

The Court shall permit media to attend a hearing if the child who is the subject of the allegation is 14 years of age or older and the media representative will not report the name of the accused child or otherwise identify the child or child's family. The media representative will arrive in the hearing room before the hearing commences and will not depart before a recess or the end of the hearing. The only recording permitted by a media representative is written notes.

Rule 53 **Guardians ad Litem**

The Court shall appoint a Guardian ad Litem when it finds it is necessary and appropriate to protect the interests of a child or whenever the Court is required to do so by statute.

The role of the Guardian ad Litem is to assist the Court and to represent the interests of the child, with the primary focus being the best interest of the child.

Guardian ad Litem shall have full access to Court records.

The Guardian ad Litem may subpoena and examine independent witnesses.

A Guardian ad Litem shall perform appropriate duties upon appointment. As the feasibility of some of the duties will depend on the age of the child and the specific circumstances of each case, it is within the discretion of the Guardian ad Litem to tailor each of the following duties to the individual case:

- A. Interview each parent or party separately (or state in the report why such interviews would be unnecessary or impractical).

A Guardian ad Litem is entitled to notice of all hearings and to receive copies of any and all filings made by the other parties to the action.

The Guardian ad Litem may attend all Court hearings; but will only be required to attend

hearings for which the guardian ad litem has been served a properly issued subpoena.

Unless otherwise directed by the Court, the Guardian ad Litem shall prepare a written report and submit it to the Court and all parties. **The Guardian ad Litem shall include a certificate of service in the submitted report.**

A Guardian ad Litem has a duty to notify the Court and counsel if the child's wishes are in opposition to the Guardian's recommendations.

Discharge of the Guardian ad Litem shall be pursuant to Ohio Revised Code Section 2151.281(G).

A party seeking the appointment of a guardian ad litem pursuant to R.C. 2151.23 shall file with the Court a motion for appointment of a guardian ad litem. If the Court grants the motion, or if the Court appoints a guardian ad litem in such cases on its own motion, the parties shall each, unless otherwise ordered by the Court, deposit with the clerk of this Court within 14 days of the court's order **\$500.00** to be applied to the cost of the guardian ad litem **plus an additional 2% (\$10.00) for poundage.** If the full deposit of **\$1,020.00** has not been paid to the clerk of this Court within the 14 day period, the parties shall be notified that either may effectuate the appointment by paying the balance of the deposit owed by the other party, and the balance shall be charged as a credit to be reimbursed in the final judgment upon the matter. If the **\$1,020.00** deposit has not been paid to the clerk of this Court within 30 days of the filing of the judgment entry appointing the guardian ad litem, the defaulting party will be ordered to appear before the Court to determine the reason for which payment of deposit has not been remitted and to issue any further appropriate orders regarding the deposit.

The guardian ad litem shall commence his/her duties in the case upon the payment of the deposit. From the deposit, the guardian ad litem shall be entitled to the fees at the rate of \$50.00 per hour. It is the responsibility of the guardian ad litem to advise the Court, parties and attorneys of record that an additional deposit will be necessary. Upon application of the guardian ad litem and allowance by the Court, the parties shall each, unless otherwise ordered by the Court, deposit with the clerk of this Court such additional sum as the Court shall have ordered within 30 days of receiving notice of the Court's order. Fees and expenses incurred by the guardian ad litem shall be taxed as costs and the deposits with the clerk of this Court therefore shall be refunded or credited to the respective parties upon payment of court costs.

When an overpayment that is equal to, or less than, \$5.00 in value is discovered, that no refund be made, and that the money be paid by the Clerk of this Court into the General Fund of Huron County as Court costs.

Rule 57
Tobacco Use in the Huron County Courthouse

Whereas, the Court finds that tobacco smoke is a major contributor to indoor air pollution and that smoking in enclosed areas is detrimental to the public's health, welfare, comfort, and environment;

And whereas, the Court further finds that exposure to second-hand smoke is acutely harmful to nonsmokers with cardiovascular or respiratory disease and that the United States Surgeon General has determined that smoking and the use of other tobacco products is a leading cause of disease, including lung cancer in healthy nonsmokers.

And whereas, the Court further finds that smoking in certain enclosed areas is a public nuisance and a cause of material annoyance, discomfort and physical irritation to the public;

It is hereby ordered, adjudged and decreed that effective the 21st day of February 1995, all areas within the Courthouse including hallways, stairwells, and restrooms shall be designated nonsmoking areas and the use of all tobacco in this Courthouse shall be prohibited. Rule 60 **Computerization Fund**

Pursuant to Ohio Revised Code Section 2151.541, it is hereby determined that, for the efficient operation of this Court, additional funds are required to computerize the office of the Clerk of this Court.

Rule 61
Judicial Bypass of Parental Notification

**Juvenile Court Procedures-Complaint for Abortion without Parental Notification.
(Ohio Revised Code Section 2151.85).**

Complaint--sealing identifying information. All actions pursuant to section 2151.85 of the Revised Code shall be commenced by filing a complaint on Form 23-A issued by the clerk of the Supreme Court of Ohio. A certified copy of the second page, with the case number noted on it, shall be given to the complainant after she signs it. The original second page shall be removed from the file jacket and filed under seal in a safe or other secure place where access is limited to essential court personnel. All index records shall be under, "In the Matter of Jane Doe."

Minors seeking to file an action under section 2151.85 of the Revised Code shall be given prompt assistance by the clerk in a private, confidential setting. Assistance shall include performing the notary services necessary to file the complaint and affidavits described in Sup. R. 23 and 24.

The complaint shall be filed promptly upon the request of the minor. The complaint and other forms described in these rules shall be provided without cost to the minor. No filing fees or court costs shall be imposed on the minor in connection with these proceedings or any notice of appeal filed in connection with these proceedings.

(A) **Appointment of counsel.** Upon the filing of the complaint, the court shall appoint an attorney to represent the complainant if she is not represented by an attorney. Court-appointed attorneys shall be paid by the court without expense to the complainant.

(B) **Appointment of guardian *ad litem*.** Upon the filing of the complaint the court shall also appoint a guardian *ad litem*. The court may appoint the same individual to serve as both the attorney and the guardian *ad litem*. If the court appoints an individual who volunteers to serve as a guardian for the complainant, that individual need not be paid. Other guardians shall be paid by the court without expense to the complainant.

(C) **Hearing.** A hearing shall be conducted promptly after the filing of the complaint, if possible within twenty-four hours. In no event shall the hearing be held later than five business days after the filing of the complaint. The court shall accommodate school hours if at all possible. The hearing shall be conducted by a judge and shall not be heard by a magistrate. Hearings must be closed to the public and exclude all persons except witnesses on behalf of the complainant, her attorney, her guardian *ad litem*, and essential court personnel. The hearing shall be conducted in a manner that will preserve the anonymity of the complainant. The complainant's name shall not appear on the record.

If both maturity and either abuse or best interest are alleged in the complaint, or if maturity, abuse, and best interest are alleged in the complaint, the court shall rule on the issue of maturity first. If the court finds against the complainant on the issue of maturity, it then shall determine the other issues alleged in the complaint.

(D) Judgment. The court shall enter judgment immediately after the conclusion of the hearing and a copy of the judgment shall be immediately provided to the complainant. If the court finds by clear and convincing evidence either that the complainant is sufficiently mature and well enough informed to decide intelligently; or that there is evidence of a pattern of physical, sexual, or emotional abuse by one or both of her parents, guardian, or custodian; or that notification is not in the best interest of the complainant, the court shall issue an order on Form 23-B authorizing the complainant to consent to the performance of an abortion without notice to a parent, guardian, or custodian.

If the court determines that the complainant has not established the allegations of the complaint by clear and convincing evidence, the court shall dismiss the complaint and notify the complainant that she has a right to appeal under section 2505.073 of the Revised Code. In that event the complainant shall be provided with a copy of the notice of appeal, Form 23-C.

(E) Appeals.

(1) Immediately after the notice of appeal has been filed by the complainant, the clerk of the juvenile court shall notify the court of appeals. Within four days after the notice of appeal is filed in the juvenile court, the clerk of the juvenile court shall deliver a copy of the notice of appeal and the record, except page two of the complaint, to the clerk of the court of appeals who immediately shall place the appeal on the docket of the court of appeals.

(2) The juvenile court shall prepare a written transcript if possible. However, if a transcript cannot be prepared timely and if the testimony is on audio tape, the tape may be forwarded as part of the record in the case to the court of appeals without prior transcription and the court of appeals shall accept the audio tape as the transcript in the case without prior transcription. The juvenile court shall ensure that the court of appeals has the necessary equipment to listen to the audio tape.

(F) General rule of expedition. If a complainant files her notice of appeal on the same day as the dismissal of her complaint, the entire court process, including the juvenile court hearing, appeal, and decision, shall be completed in sixteen calendar days from the time the complaint was filed.

(G) Confidentiality. The court shall not notify the parents, guardian, or custodian of the complainant that she is pregnant, that she wants to have an abortion, or that the complaint was filed. All court papers and records that pertain to the action shall be kept confidential and are not public records under section 149.43 of the Revised Code.

(H) Verification notice. Upon request of the complainant or her attorney, the clerk shall verify on Form 23-D the date the complaint was filed and whether a hearing has been held within five business days after the filing of the complaint. The form shall be filed and

included as part of the record and a date-stamped copy shall be provided to the complainant or her attorney. Commentary (July 1, 1997)

COMPLAINT FOR AN ORDER AUTHORIZING CONSENT TO
AN ABORTION WITHOUT NOTIFICATION OF A PARENT,
GUARDIAN, OR CUSTODIAN

INSTRUCTIONS

If you are pregnant, unmarried, under eighteen years old and unemancipated, and want to have an abortion without telling your parent, guardian, or custodian, you may ask a court for permission. The court will then decide whether your parent, guardian, or custodian must be told before you may have an abortion. The attached form, called a complaint, should be used to ask a court to let you have an abortion without telling your parent, guardian, or custodian.

If you are under 18 and not married, you are “unemancipated” if:

1. You have not entered the armed services of the United States or
2. You do not have a job and support yourself or
3. You are under the care and control of your parent, guardian, or custodian.

By law, you do not have to pay a filing fee or any court costs. If you do not have a lawyer, the court will appoint one for you free of charge.

The court is not allowed to tell your parent, guardian, or custodian that you are pregnant or that you want to have an abortion. The court must keep the complaint and all other papers in your case confidential.

The complaint must be filed in a juvenile court in the county where the abortion would be performed, in the county where you reside or have a legal settlement, or in any county that borders the county where you reside or have a legal settlement.

HOW TO FILL OUT THE FORM

Completing **Statement #5**: Check one or more of the statements. If you check the first statement, the court will first consider if you are mature enough and well enough informed to intelligently decide whether to have an abortion without telling your parent, guardian, or custodian. If the court does not find that you are sufficiently mature and well enough informed to make the decision, and you have checked either or both of the remaining statements, the court will then consider:

- _ whether there is a pattern of physical, sexual, or emotional abuse of you by your parent, guardian, or custodian, or,
- whether telling your parent, guardian, or custodian is not in your best interest.

Completing Statement #6: Check the statement that applies to you. If you have a lawyer,

fill in the name, address and telephone number of your lawyer.

Completing the Top of Page 2: The law requires that the statements in the complaint be made under oath. This part of the form must be completed in the presence of a person who is allowed to administer oaths, such as a notary public, a lawyer, or a judge. After you sign your name on the signature line, that person should notarize the form.

Completing the Bottom of Page 2: Fill out the bottom of Page 2 only if you do not have a lawyer. Provide any address and phone number where you may be contacted about this matter. When the court appoints a lawyer for you, the lawyer will reach you at the address or phone number you provide. You do not have to complete the bottom of Page 2 until after the notary public signs the top of Page 2.

**PETITION FOR CONSENT TO AN ABORTION OR FOR
JUDICIAL CONSENT TO AN ABORTION (R.C. 2919.121).**

INSTRUCTIONS

If you are pregnant, unmarried, under eighteen years old and unemancipated, and want to have an abortion without the consent of your parents, you may ask a court for permission. The court will then decide whether you are sufficiently mature and well-enough informed to decide intelligently to have an abortion or whether an abortion is in your best interests. The attached form, called a petition, should be used to ask a court to let you have an abortion without the consent of your parents.

If you are under 18 and not married, you are “unemancipated” if:

1. You have not entered the armed services of the United States or
2. You do not have a job and support yourself or
3. You are under the care and control of your parent, guardian, or custodian.

By law, you do not have to pay a filing fee or any court costs. If you do not have a lawyer, the court will appoint one for you free of charge. The court also will appoint a guardian *ad litem*, who is a person responsible for protecting your interests. The court may appoint your lawyer to be your guardian *ad litem*.

The court is not allowed to tell your parent, guardian, or custodian that you are pregnant or that you want to have an abortion. The court must keep the petition and all other papers in your case confidential.

The petition must be filed in a juvenile court in the county where the abortion would be performed, in the county where you reside, or in any county that borders the county where you reside.

HOW TO FILL OUT THE FORM

Completing Statement #5: “On the merits” means a court has heard testimony and has decided not to give you consent to have an abortion.

Completing Statement #6: Check one or both of the statements. If you check the first statement, the court will first consider if you are mature enough and well enough informed to intelligently decide whether to have an abortion. If the court does not find that you are sufficiently mature and well enough informed to make the decision, and you have checked the second statement, the court will then consider whether the abortion is in your best interest. If you are not sure which statement to check, you may check both and then discuss this with your lawyer.

Completing Statement #7: Check the statement that applies to you. If you have a lawyer, fill in the name, address and telephone number of your lawyer.

Completing Page 2: The law requires that the statements in the petition be made under oath. This part of the form must be completed by you or someone who is assisting you (called a “next friend”) in the presence of a person who is allowed to administer oaths, such as a notary public, a lawyer, or a judge. After you or the person assisting you signs the petition, the person who administers oaths should sign the form.

Completing the Bottom of Page 2: Fill out the bottom of page 2 only if you do not have a lawyer. Provide any address and phone number where you may be contacted about this matter. When the court appoints a lawyer for you, the lawyer will reach you at the address or phone number you provide. You do not have to complete the bottom of page 2 until after the notary public signs on page 2.

**FORMS ALLEGING ABUSE BY PARENT AND REQUESTING THAT
NOTIFICATION OF ABORTION BE PROVIDED TO OTHER RELATIVE**INSTRUCTIONS FOR FORMS 24-A and 24-B

If you use these forms, the person performing your abortion will not be required to give notice of your abortion to a parent, guardian, or custodian. Instead, you can choose to have notice provided to a brother or sister over twenty-one years of age or a stepparent or grandparent.

These forms are called affidavits. An affidavit is a sworn statement signed before a notary public or other person, such as a judge or attorney, authorized to administer oaths. The clerk's office will provide a notary public if you want to complete the forms in the clerk's office.

These forms may be used if any of the following apply.

You are:

1. Pregnant;
2. Unmarried;
3. Under eighteen years old;
4. Unemancipated, which means that:
 - You have not entered the armed forces of the United States;
 - You do not have a job and support yourself;
 - You are under the care and control of a parent, guardian, or custodian.
5. You fear, based on events that have happened in the past, physical, sexual, or severe emotional abuse if notice of the abortion is given to a parent, guardian, or custodian.

These forms will be filed with the juvenile court and kept confidential. The clerk of the juvenile court will provide notice to the abortion provider that the forms have been filed and the clerk will inform the abortion provider of the name of the person you have chosen to receive notice of your abortion. The forms will not be released by the juvenile court.

You do not have to pay any filing fee or court costs to the clerk for notarizing these forms, filing these forms, or issuing the notice to the abortion provider.

The affidavit must be filed in a juvenile court in the county where the abortion will be performed, in the county where you reside or have a legal settlement, or in any county that borders the county where you reside or have a legal settlement.

HOW TO FILL OUT THE FORMS

There are two forms. You complete one of them. The other form is completed by the person you select to receive notice of your abortion. That must be a brother or sister over twenty-one years old or a stepparent or grandparent.

Your form requires that you name the person to receive notice and provide the name and address of the person to perform the abortion.

Both of the forms must be signed in front of a notary public or other person, such as a judge or attorney, authorized to administer oaths.

WHAT TO DO AFTER FILLING OUT THE FORMS

After the forms are signed and notarized, give them to the juvenile court clerk who will file them in a confidential place within the clerk's office. Then the clerk will issue a notice that you may take to the abortion provider. With that notice the abortion provider will be authorized to provide notice of the abortion to the brother, sister, stepparent, or grandparent that you have selected.

Rule 75
Specialized Dockets

The Court finds that a new local rule is necessary to address standards for its Intervention Court Program. The Court currently operates a specialized docket for certain adjudicated delinquent youth who suffer from substance abuse and/or mental health issues. This program is known as the Intervention Court Program. It is hereby ORDERED, ADJUDGED and DECREED that the Court shall and hereby does adopt and incorporate herein by reference the Ohio Supreme Court's Specialized Docket Standards for the administration of this program, as set forth in Appendix I of the Ohio Rules of Superintendence.

- (A) The Court has maintained a specialized docket program for delinquent youth with substance abuse and/or mental health issues since October 2003. This program is known as the Intervention Court. The Huron County Juvenile Court intends to receive and maintain this certification.
- (B) Intervention Court is designed to provide intensive probation supervision and intensive outpatient treatment to adjudicated delinquent youth suffering from substance abuse or mental health disorders that have been diagnosed by a licensed clinical counselor, psychologist or psychiatrist. The program involves four phases and requires involvement of the youth for a minimum of 9 months, with regular status hearings before the juvenile judge and regular counseling

sessions and other treatment with licensed professionals at Firelands Counseling & Recovery Services. Further details about program components are located in the Program Description, Participant Handbook and Participation Agreement, incorporated herein by reference.

- (C) The Court will accept referrals for participation in the program from the Huron County Prosecutor, the Huron County Public Defender, a child’s attorney, a probation officer, a school official, or any other interested party. Acceptance into the program will be determined by the Intervention Court Team, consisting of the juvenile judge, court administrator, Intervention Court Coordinator, Intervention Court Case Manager and the Supervisor of Case Management. In addition to the requirement that a youth be adjudicated delinquent and be diagnosed with a significant substance abuse or mental health issue for which treatment is indicated, the team will consider the age, maturity level, competence, family history, family support, and violent tendencies of the youth and the duration of the youth’s condition for which treatment is indicated. Any prospective candidate whose violent tendencies would jeopardize the safety of other participants or staff would be ineligible for the program.
- (D) Participants who successfully advance through all four phases of the program are successfully terminated from the program and are involved in a graduation ceremony. Factors for determining success include, but are not limited to, maintaining sobriety, consistent compliance with medication and other treatment requirements, lack of negative contact with law enforcement, an increase in pro-social engagement, and the absence of delinquent or unruly behavior. Participants who chronically are noncompliant, commit additional acts of delinquency, become violent or are removed from the court’s jurisdiction can be terminated unsuccessfully from the program. Any participant who is unsuccessfully terminated from the program will be promptly scheduled for the dispositional hearing in the underlying case, at which time the Court will impose an appropriate traditional disposition

- B. **Child's Birthday.** A child's birthday shall always be spent with Mother in even-numbered years and with Father in odd-numbered years. If parents cannot agree, the time shall be 9:00 a.m. to 8:00 p.m. if the child does not have school on the birthday and 3:30 p.m. to 8:00 p.m. if the child's birthday falls on a school day. Birthday parenting time takes priority over weekend, mid-week, holiday or

extended parenting time.

VI. MISCELLANEOUS PARENTING TIME ISSUES

- A. Priority of Parenting Time Periods. In the event of any conflict between parenting time allocated to each parent under this Rule, the following order of priority shall be followed, with 1 being the highest priority and 5 being the lowest priority.
1. Days of Special Meaning
 2. Holidays
 3. Extended Parenting Time
 4. Weekends
 5. Midweek Parenting Time
- B. Cancellation of Parenting Time by Non-Residential Parent. Except in cases of emergency, the Non-Residential Parent shall give the Residential Parent 24 hours advance notice of any cancellation of parenting time. When cancellation is necessary, parents are encouraged to schedule make-up parenting time.
- C. Ending Parenting Time Early. The Non-Residential Parent shall not return the child before the end of the parenting time period, unless parents agree in advance. The Residential Parent shall not attempt to terminate parenting time prematurely, without agreement, by arriving early to pick up the child.
- D. Transportation. In the event parents are unable to reach an agreement regarding transportation, the parent who is receiving the children shall provide transportation. “Provide transportation” means that the parent or parent’s designee may provide transportation. The parent or designee must be sober, a licensed driver, have current and valid automobile insurance and have proper car seats. Any designee selected by a parent must be known and familiar to the child.
- E. Promptness. Each parent shall be prompt for pick-up of the child. Neither parent shall be more than thirty (30) minutes late to pick up a child. A Non-Residential Parent who is more than thirty (30) minutes late forfeits that particular parenting time period, unless the tardiness is for good cause, and unless the Non-Residential Parent gives notice of the tardiness and a reasonable estimated time of arrival.
- F. Make-up Parenting Time. The Non-Residential Parent shall be entitled to make-up parenting time if, due to an emergency or unforeseen circumstances, the Non-Residential Parent is not available at the scheduled time for parenting time and has given reasonable notice of that fact to the residential parent. All make-up parenting time shall be rescheduled by the Non-Residential Parent and exercised within sixty (60) days of the missed parenting time, or it is forfeited. The Residential Parent shall make the child available for all make-up parenting time.

- G. Schoolwork. A parent must provide time for any child to study and complete homework assignments, papers or other school assigned projects, even if the completion of this work interferes with a parent's plans with the child. If schoolwork is assigned by the school before the parenting time, the Residential Parent must inform the Non-Residential Parent of the school work to be done so that it may be timely completed.
- H. Contact Information. Unless the Court orders otherwise, each parent shall provide to the other parent current contact information, including telephone number, cell phone number, and an alternate number in case of an emergency. Absent an order of the Court, no parent shall put a block on a phone to prevent the other parent from calling. If either parent takes the child outside the county in which that parent resides, for a period of 24 hours or more, that parent must provide the other parent with the destination, times of arrival and departure, method of travel and a telephone number where the child can be reached in case of an emergency.
- I. Illness. If a child is too ill to leave home for parenting time, the Residential Parent shall give the Non-Residential Parent notice of that fact at the earliest available time. The Non-Residential Parent shall then be entitled to make-up parenting time with the child. The Residential Parent shall keep the Non-Residential Parent informed of any health condition of the child which necessitates medication or other treatment. The Residential Parent shall provide the Non-Residential Parent with any necessary prescription medication or treatment instructions before the start of the parenting time.
- J. Child's Activities. The child's participation in extracurricular activities, whether school-related or otherwise, shall not be interrupted because of parenting time. The parent with whom the child is residing at the time of the activity shall transport the child to the activity, unless different arrangements are made by parents.
- K. Implementation of Revised Appendix B. Appendix B, as set forth above, constitutes the standard schedule of parenting time of this Court. The Court reserves the right, in any given case, to deviate from Appendix B if a preponderance of the evidence shows a different schedule would be in the child's best interest. This revised Appendix B is intended to be prospective in application. The effective date of this revised Appendix B is *1 January 2013*.
